

Geography: EYFS

People, Culture and Communities	Understanding the Natural World
<ul style="list-style-type: none"> Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps; Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class; Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and- when appropriate- maps. 	<ul style="list-style-type: none"> Explore the natural world around them, making observations and drawing pictures of animals and plants. Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.

Geography: Key Stage 1

	Place Knowledge	Location Knowledge		Physical and Human Geography
	Place Knowledge	Space	Scale	Physical and Human Processes
The World and My School Where in the UK do I live?	I can understand the places can have meaning to people.	I can understand that the world has seven continents. I can understand that the UK is split into countries and surrounding seas.	I can understand how my local area fits within the UK. I can understand how my classroom fits within the school. I can understand how my school fits on the street.	

	Place Knowledge	Location Knowledge		Physical and Human Geography	Geographical Skills and Fieldwork
	Place	Space	Scale	Physical and Human Processes	
Our Local Park What is our local park? How do people get there?	I can understand that place can have meaning to people.	I can identify some key human and physical features of my local area.	I can understand how my local park fits within my local area.	I can understand human processes in my local area. Including settlements and varied land use. I can identify human and physical geographical features in my local area.	I can use simple fieldwork and observational skills to answer geographical questions. I can use directional language to describe route. I can name and use cardinal directions. I can devise a simple, messy map. I can collect and record simple data. I can present simple data in a chart.

	Place Knowledge	Location Knowledge		Physical and Human Geography	Geographical Skills and Fieldwork
	Place	Space	Scale	Physical and Human Processes	
Our School Grounds Do our school grounds support plant life?	I can understand that place can have meaning to people.	I can identify some key human and physical features of my local area.	I can understand how my local park fits within my local area.	I can understand human processes in my local area. Including settlements and varied land use. I can identify human and physical geographical features in my local area.	I can use simple fieldwork and observational skills to answer geographical questions. I can use directional language to describe route. I can name and use cardinal directions. I can devise a simple, messy map. I can collect and record simple data. I can present simple data in a chart.

	Place Knowledge	Location Knowledge		Physical and Human Geography		Geographical Skills and Fieldwork
	Place	Space	Scale	Physical and Human Processes	Cultural Awareness and Diversity	
<p>My Local Area</p> <p>What are the similarities and differences between my town and</p>	<p>I can understand that place can have meaning to people.</p>	<p>I can understand that the world has seven continents and five oceans.</p> <p>I can understand that the UK is split into countries and surrounding seas.</p>	<p>I understand that England, Scotland, Wales and Northern Ireland are countries within the UK, each with a capital city.</p> <p>I understand that Norway is a European country.</p>	<p>I can understand that the poles and equator impact the climate on Earth.</p> <p>I can identify human and physical geographical features of my local area contrasting locality using key vocabulary.</p>	<p>I can understand the similarities and differences between my country and other countries.</p>	<p>I can use atlases and globes to discover the continents and oceans of the world.</p> <p>I can use compass directions and locational directional language to describe the location of features on a map.</p> <p>I can use aerial photographs and plan perspectives to recognise landmarks and devise simple maps.</p> <p>I can use a key.</p> <p>I can use simple fieldwork and observational skills to study the school's geography.</p>

	Physical and Human Geography	Geographical Skills and Fieldwork
	Physical and Human Processes	
<p>Investigating Weather and Climate</p> <p>How can we record and measure weather phenomena?</p>	<p>I can understand the differences between weather and climate.</p> <p>I can understand that the poles and equator impact the climate on Earth.</p> <p>I can identify hot and cold areas of the world in relation to the poles and the equator.</p>	<p>I can carry out a geographical enquiry using simple fieldwork and observational skills.</p> <p>I can collect weather data using the equipment.</p> <p>I can record weather data.</p> <p>I can present my data.</p> <p>I can analyse my data.</p>

Geography: Lower Key Stage 2

	Place Knowledge	Location Knowledge		Physical and Human Geography		Geographical Skills and Fieldwork
	Place	Space	Scale	Physical and Human Processes	Cultural Awareness and Diversity	
<p>The United Kingdom</p> <p>What are the key geographical features of the UK, and my region?</p>	<p>I can understand that places can have meaning to people</p> <p>I can understand that people can choose to use land differently, and I can give some examples.</p>	<p>I can understand that the UK is split into countries and regions.</p> <p>I can understand that regions are split into counties.</p> <p>I can understand that counties contain settlements.</p>	<p>I understand that England, Scotland, Wales and Northern Ireland are countries in the UK.</p> <p>I can understand how my region is an area within England.</p> <p>I can differentiate between settlements of various sizes, including cities, towns, villages, and hamlets.</p>	<p>I understand that land has height.</p> <p>I can identify mountains, hills and rivers on maps.</p> <p>I understand human processes in the UK, including settlements and land use.</p> <p>I understand that land use patterns change over time.</p> <p>I can identify some key human and physical features of the UK and my region.</p>	<p>I can understand that England is made up of different regions and counties. People living in their regions and counties may have different sense of identity based on where they live.</p>	<p>I can use compass points, four-figure grid references, symbols and keys.</p> <p>I can devise a sketch map of my local area</p> <p>I can identify physical features on a map.</p> <p>I can locate settlements on a map.</p> <p>I can use maps and atlases to discover the UK.</p>
