'Together, we believe,
anything is possible'
Matthew 19:26

April 2025

Dear Prospective Applicant

Thank you for your interest in the Headteacher role at our school. Flookburgh C of E Primary School is a vibrant community where together, we believe anything is possible!

We are outward facing and despite our small class sizes punch above our weight in both the peninsula schools cluster which we are an active part of in sports, worship and leadership and across the country. We are also active across the country as one of six schools involved in the UCL (University College London) "[Rethinking the Curriculum](#)" research which is now into its second year.

Children are the heart of our community, and we place their wellbeing at the heart of what we do. With regular Mental wellbeing check-ins, a wide and varied curriculum including a school brass band and the amazing Christmas plays, the children's enthusiasm guides our ethos.

We recently had our Ofsted inspection at the end of 2024 and we are proud of the way that our school was reflected in the report which is included in the application pack.

We look forward to welcoming you for a visit so you can see what a unique school we are!

Rowena Lewis

Chair of Governors
(On behalf of the Governing Board)
